REPLAY

The graphic features a dark blue background with white and light blue hexagonal patterns. On the left, three circular logos are stacked vertically: the Asia Pacific Pediatric Association (APPA) logo with a map of the region, the Philippine Pediatric Society (PPS) logo with a child and a stethoscope, and the Philippine Society for Developmental and Behavioral Pediatrics (PSDBP) logo with a stylized figure. The main text is centered in white, with the title in large, bold, sans-serif font. A green button with the word 'REPLAY' in white is positioned below the title. A QR code is located in the bottom right corner.
