

## **WORLD IMMUNIZATION WEEK 2024**

Dear All APPA members,

Our children are ours. It is our responsibility/ duty to ensure they grow up healthy and strong children for the nation.

Please ensure that they complete their vaccination; if you have not started vaccination, then get them vaccinated, do it now;

If you have incomplete the vaccine course, please ensure completion now.

Let us protect our children against preventable lethal and debilitating diseases.

The time is now.
