

3 WEEKS TO GO BEFORE EARLY REGISTRATION DEADLINE!

You have only 3 weeks left
to benefit from early registration discounted rates.
Registration to the Main Congress is required to register for the
Pre-congress modules.

REGISTER NOW

**Join us in Cebu City for the
18th Asia Pacific Congress of Pediatrics
from November 14 to 17, 2024.**

Stay up-to-date from nearly 20 regional experts and renowned Filipino specialists. The carefully designed scientific program is world-class.

Day 1 features 9 Pre-Congress modules, including a special Vaccinology Masterclass session to be conducted by the Immunization Partners in Asia Pacific (IPAP). From Day 2 to Day 4, the Main Congress offers plenary lectures and simultaneous sessions, ensuring a valuable and enriching congress experience. Please click to view the updated scientific program.
